

# Type O Negative, It's Never Enough

[Previously unreleased]

[From the recording sessions of World Coming Down]

fuck you god  
fuck you god  
fuck you god

With my blood, time, sweat and tears  
My goal is to dissolve her fears  
fuck you god Self-imposed imprisonment  
In this way feels she must repent - must repent

In a cell denial made  
Break the lock, free her from her cage  
fuck you god Realizing her days be few  
Just want to make her comfortable - comfortable

No matter what i do  
No matter what i do  
It's never enough

No matter what i do  
No matter what i do  
It's never enough

Don't take her

I'll lose my mind  
When it's her time  
She's so scared, it's unbearable  
Can't believe god could be so cruel  
So cruel

She held me tight  
Childhood fright  
I'm so scared, there's no remedy  
But so glad for the memories  
So glad

fuck you god  
fuck you god  
fuck you god  
fuck you god

For her one day undestroyed  
I'd give my soul or life with joy  
fuck you god  
Angel face of saintly love  
I curse christ that she suffers such - suffers such

No matter what i do  
No matter what i do  
It's never enough

No matter what i do  
No matter what i do  
It's never enough

No matter what i do  
No matter what i do  
It's never enough - never enough - never enough - never enough
