Type O Negative, Less Than Zero (

My reflection as that shadow's blessing my death Last soul in agony meet machine tragedy

God if you love me, then why won't you set me free I don't have call-waiting, hey, was that you pranking me?

The sheep within Wearing wolf's skin Weak vagiant Amongst midgets

Snot and cum, piss and shit Of this I am made - like a taste of it?

Vomit, pus, sweat, tears, blood The scab removed, revealing what was

Of this man of Steele Nothing is real The truth be scant Lord of idiots

The punishment? Eternal lent Victims be clear You're all volunteers
