

Type O Negative, These Three Things

The child is torn from the womb unbaptised
Theres no question its infanticide
Im guilty so therefore condemned
Destroying angels must come to an end
Now in Limbo deprived of paradise not so nice

At the end Ill escort you to hell
The dark ones forces lock your flaming cell
To murder the one's unborn
The worst sin youve ever performed
There are two other things I must tell know them well

With due respect hear these words of caution
If considering and abortion
If you did boiling sulphur
To which I will not concur
Leading to a path of misfortune no one won

Of a land, land that shuns the son
So alien call it area 5-1
Should there be failure to convert Zion?
What came as a lamb returning as a lion

Not a nation but a self proclaimed state
Since the year of our Lord 1-9-4-8
The road to redemption leads to through deserts
Rocky though the trip through is well worth it

I am the duel of the fisherman Simon
He brought alpha, omega, yes Im the one
The twins fell beginning Armageddon
So the whore too who dwelleth in Babylon

All his people gathered round - through forgiveness salvation found
