

# Typecast, She Won't Understand

Am i boring you out?  
Am i disturbing your pace?  
Did i break anything on you  
That would drip down your sail?  
Did i troubled your life?  
Did i make you aware?  
You've said you know it all  
And i do hope you're right.

I'll write all the things you are today,  
But it won't be easy cause it will bother your way.

Im sorry for caring for you, im sorry...  
And it hurts falling for you.

She wont understand,  
She puts her mind on what she knows,  
She wont know anything,  
She wont know everything

You are breaking me out  
You dont have a chance too see,  
Your words tear a thousand pieces  
And it falls all over me.  
Can we make up for it?  
You wont make up for me.  
You go on your way  
And listen to things that you want to here

I'll write all the things you are today,  
But it won't be easy cause it will bother your way.

She wont understand,  
She puts her mind on what she knows,  
She wont know anything,  
She wont know everything she knows...

Im sorry for caring for you, im sorry...  
And it hurts, im sorry..
