

Tyra Banks, Be A Star

Eve's great, no matter where she goes
Dress her up from her head to her toes
On the town, at the ball
Eve loves high fashion
After dark at the club
She'll spend the whole night dancing

Shine bright, shine bright
Don't be shy, be a star
Where you live, where you are
Shout it out, be a star
Shine bright, shine far
Be a star

Where you live, where you are
Be a star
Shine bright, shine bright,
Don't be shy, be a star
Where you live, where you are
Be a star

Shine bright, shine far
Be a star
Where you live, where you are
Be a star
Shine bright, shine far
Don't be shy, be a star
