

Tyra, Lose Control

(Chorus)

Baby you got me
I can't take no more
But you got a hold on me
Oo baby, you make me lose control

(Verse 1)

Baby when I seen ya
I couldn't help but stare
Perfection so hard to find
But baby you're almost

(Hook)

You know if looks could kill
You would be on the run
You are the one for me
I'm sure
And I know there's plenty girls
That try to get at you
So I gotta beat them to it
Cuz I want you more
Don't you know that

(Chorus)

Baby you got me
I can't take no more
But you got a hold on me
Oo baby, you make me lose control

(Verse 2)

Hands down
It's so obvious
We fit so perfectly
In addition to your sexiness
You bring out the best in me

(Hook)

You know if looks could kill
You would be on the run
You are the one for me
I'm sure
And I know there's plenty girls
That try to get at you
So I gotta beat them to it
Cuz I want you more
Don't you know that

(Chorus)

Baby you got me
I can't take no more
But you got a hold on me
Oo baby, you make me lose control

(Hook)

You know if looks could kill
You would be on the run
You are the one for me
I'm sure
And I know there's plenty girls
That try to get at you
So I gotta beat them to it
Cuz I want you more
Don't you know that

(Chorus)
Baby you got me
I can't take no more
But you got a hold on me
Oo baby, you make me lose control
