

# Tyrannosaurus Rex, Baby Strange

I see you walking  
I see you talking  
With all my friends  
I'm shadowed under  
You're like some thunder  
I wanna be your friend

I wanna call you  
I wanna ball you  
All night long  
In winds of passion  
My whip is lashing  
I wanna get you and then

OOO you're strange  
Don't lame me baby strange  
Don't lame me baby

The city's shaking  
I ain't faking  
Baby this is the end  
I'm overloaded  
My head's exploded  
I wanna get you and then
