

# Tyrannosaurus Rex, Graceful Fat Sheba

Graceful fat Sheba, she works with a meatcleaver  
Sweating behind the meat counter  
Her skin, it leaks liquid, the odour is sickly  
Her features aren't unlike a swan  
Her poetic, gluttonic waist is impressive  
She smiles as she hacks up a pig  
Graceful fat Sheba, she works with a meatcleaver  
Sweating behind the meat counter
