Tyrannosaurus Rex, Think Zinc

People passing by, all through the night They use my senses in strange ways She knows just what you are, like a fading star And she uses my senses in strange ways *

You've got to think zinc Think a, think a Think a, think a Think a, think a Ooh **

You've got to think zinc Think a, think zinc Think a, think zinc Zinc, zinc Ooh **

People passing by, all through the night They use my numbers in strange ways Over the telephone, you should hear them groan I crossed his wires in strange ways *

Repeat *Repeat

All my favourite people child, you gotta think zinc All my favourite people child, you gotta think zinc

*Repeat **Repeat

***Repeat three times

Oh hmm hmm

*Repeat ***Repeat

Think zinc, think zinc baby Think zinc, think zinc baby
