

# Tyrant Tea Club, As Easy As It Was

This is not an easy one to sing,  
standing here struggling for  
the right words to say, now that  
you're going away

This is not an easy one to feel,  
standing here, no chance  
to heal the broken heart,  
as I see it all fall apart

It's not as easy as it was,  
It's not that easy  
since you went out the door,  
it's never been that easy as before.

I don't mind you broke the china  
I know I've been a fool,  
but I can't take back the lies.  
I got no card left to play,

just the naked truth,  
won't you come back and stay

This is not an easy one to feel,  
standing here, no chance  
to heal the broken heart,  
as I see it all fall apart

Life's shading grey  
from day to day,  
it seems you stay  
a million miles away...

This is not an easy one to feel,  
standing here, no chance  
to heal the broken heart,  
as I see it all fall apart.
