Tyrese, Always Be Happy

Tyrese
Darkchild
We're gonna make you dance

Chorus:
If you're with me
You can have what you want
I'll do anything
This way I will know for sure
That you'll always be happy
So just tell me
What it is that you want
I'll give you everything you need and so much more
So you'll always be happy

Baby let me know if we can
Spend the weekend
All alone together
And no one has to know what we are doing
Just you and me
So let me know if that's cool with you
And maybe we'll do something from your fantasies
Just let me know which one baby
Cause it's all good with me

I wish that you were mine
Cause you're everything I want and need
I never felt this good baby
Everything will be fine
Cause I've got so much love
And that's why I've got to have you in my life

Chorus

If I'm spending my time with you
One thing I will do
And that is make your dreams come true
It will never be all about me
It'll be about you baby
Now I think it's time we made plans
Tell me when
And I will do whatever I can
To keep you so happy
Whatever you want from me

I wish that you were mine
Cause you're everything I want and need
I never felt this good baby
Everything will be fine
Cause I've got so much love
And that's why I need you in my life

Chorus

If you're with me
I'll give you everything you want and desire
If you're with me
I'll be your everything
My love will take you higher
If you're with me
No body's gonna take your place
I need you here with me
If you're with me
My love will be heart in place

So come and follow me

Chorus
