

# Tyrese, Bring You Back My Way

i never knew why i  
told you all the lies  
and everytime you cried  
it made me realize

i'd be lying to myself if  
i told you i could do it without you babe  
i can't think of no one else  
who have tried to put up with the worst of me  
keep making sure its loud and clear  
that you don't want me no more  
so baby won't you tell me

chorus:  
tell me what  
could i say  
to bring you back my way  
to show you how  
much i do love you  
i know i, made mistakes  
but no one takes your place  
say it isn't so  
its hard to think of you with someone else

everytime i think of  
the definition of love  
only you come to my my my my my mind  
i find myself wanting you all the time

i'd be lying to myself  
if i told you i could do it without you babe  
I can't think of no one else  
who have tried to put up with the worst of me  
keep making sure its loud and clear  
that you don't want me no more babe, no more babe  
so baby won't you tell me

chorus:  
so tell me what  
could i say  
to bring you back my way  
to show you how  
much i do love you  
i know i, made mistakes  
but no one takes your place  
say it isn't so  
its hard to think of you with someone else

oh theres someone else in your arms babe  
ooooo oooooohh  
i hope you can hear this words from my heart  
this is not another love song  
me no you is tearing me apart  
im nobody without you babe  
so baby, forgive me  
i'll make it up to your heart  
i know what a true relationship  
means because of you

chorus:  
tell me what  
could i say  
to bring you back my way  
to show you how

much i do love you  
i know i, made mistakes  
cause no one takes your place  
say it isn't so  
its hard to think of you with someone else  
tell me what  
could i say  
to bring you back my way  
to show you how  
much i do love you  
i know i, made mistakes  
but no one takes your place  
say it isn't so  
its hard to think of you with someone else
