

Tyrese, Fling

In my life, love couldn't find its way.
Seemed like it all felt the same.
Now you brought light, brighter than summer days,
This time around I hope that it stays.

Even though you started out as a friend,
Since what I'm feeling, I just can't pretend.
Nah, nah, no, no, no, no.

You need to let me know you're feeling the same,
Then let's make this be more than a fling.
Let's make this be more than a fling.

Girl, everything you do, got me so into you,
Ain't nothing left to do.
Let's make it more than a fling.
It didn't take too long to fall in love so strong.
So maybe we should make it more than a fling.

I never thought that I could fall for you.
Now I'm falling in love.
I say why, they say love comes by,
When you don't even expect it to.
Even though you started out as a friend,
Since what I'm feeling, I just can't pretend.
Can't pretend any longer baby.
You need to let me know you're feeling the same,
Then let's make this be more than a fling.
Make it more than a fling.

Girl, everything you do, got me so into you,
Ain't nothing left to do.
Let's make it more than a fling.
It didn't take too long to fall in love so strong.
So maybe we should make it more than a fling.

Girl, everything you do, got me so into you,
Ain't nothing left to do.
Let's make it more than a fling.
It didn't take too long to fall in love so strong.
So maybe we should make it more than a fling.

Girl I've got this feeling that I,
Just can't get enough of you, oh.
Cause you've been so real in my life,
Don't take your love away,
Gotta make you mine, oh baby.
Oh, I don't wanna do it all by myself,
Oh, no baby, make you more than a fling.

Girl, everything you do, got me so into you,
Ain't nothing left to do.
Let's make it more than a fling.
It didn't take too long to fall in love so strong.
So maybe we should make it more than a fling.

Girl, everything you do, got me so into you,
Ain't nothing left to do.
Let's make it more than a fling.
It didn't take too long to fall in love so strong.
So maybe we should make it more than a fling.

Yeah, cause you're all I see,
And you're all I need, baby.
