

# Tyrese, Housekeeping

OOOH Do I got a story to tell  
An unexpected one (expected) one  
(oohh ooooh)

(Verse 1)

Woke me out my sleep one Sunday morning  
Said "who's at the door?"  
She repeated "housekeepin, housekeepin"  
(I thought the sign on the door said "Do not disturb"  
I had to stop myself from gettin mad, after I seen her)  
I couldn't believe my eyes  
She had a sexy-something about her  
Made me wanna give a try  
( From what I know its the hotel policy, and I'd be breaking  
all the rules if I let her get a piece of me)

Chorus:

Can somebody tell me why  
Housekeepin, got me going crazy (housekeepin, housekeepin)  
She got the best of me and  
I just can't explain ( I gotta make my move baby)  
Can somebody tell my why  
Housekeepin, got me going crazy (housekeepin, housekeepin)  
Something about the vibe that made me wanna stay

(verse 2)

Now I'm just here for a few more days  
So what we gonna do bout' this problem baby  
( I can leave my key at the front desk for you, and you  
can take the stairway to get up to my room)  
She looked me straight in the eye  
and couldn't deny  
(this is a crazy situation, but I'mma sit back and enjoy the ride)  
I got a thing for you, you got a thing for me  
So we can do whatever we wanna do, baby
