

Tyrese, I Salute

Black Ty

It's time to show 'em the other side
you motha^{f**} ain't ready

sticks and stones may break my bones but words will never hurt it won't work so don't dirt on the n^g

think about it he did went from this and that and back now he tryin to rap no we ain't havin that say
steady reppin the block n^gas knowin from watts keepin it hot the westcoast move won't stop
straight out the do' fo sho, got plenty collabo's you n^gas ain't ready for the raft don't make me laugh
i've been doing this rap shit for years blood sweat and tears, no fears so let me be clear i got medic
