

Tyrese, Interlude - I Wrote A Song About It

Tyrese:

Whats up with you, you alright?

Girl:

I'm alright. I'm just a little stressed

Tyrese:

Over what?

Girl:

Everything.

Tyrese:

When I'm stressed, I write songs. Listen.

Well, I've learned a valuable lesson

That's it's not right if you're stressing

And even when you're being mistaken

Listen to your heart

It won't lead you the wrong way

When you feel like all your hope is gone

At least you wrote a song...yes you did baby

At least you wrote a song
