

Tyrese, Taste My Love

Chorus:

Come on and taste my love
It's you I'm thinking of
Baby don't you be afraid
I will guide you all the way
Come on and taste my love
It's you I'm thinking of
I got what you're looking for
There's no need to look no more

Verse 1:

Have you ever had someone make love to your mind
Its all good baby baby
I'll treat you like a lady
I'll take my time so you know
There's no rush, we'll take it slow
We've got all the time in the world
Ooh baby don't pass up this chance for romance girl
I've got something sweeter than candy
Baby don't you worry 'bout a thing

(Chorus)

Verse 2:

Are you ready for the real thing
'Cause I'm not coming up short
There's no doubt it will work babe
Just one taste and you'll beg for more
'Cause my love is all you need
Baby don't you worry 'bout a thing
Ooh baby don't pass
