

# U.D.O., Back In Pain

Back In Pain  
Fight for the right thing  
Fight for yourself-no one should run your life  
Believe in you- it's just the best to do  
Before you're giving up  
Stay put and give yourself a chance to grow  
Get tough and rough- defend yourself on time  
Get coming back for more  
You gotta push it through  
You're gonna make the truth come true  
Back in pain- freedom is not free  
Back in pain- freedom is not free  
You see yourself so busy  
Doing things people always telling you to do  
No matter what- always on your own  
Fight just for the right thing  
Go all the way and never ever change it  
Get coming back for more  
You gotta push it through  
You're gonna make the truth come true  
Back in pain- I wanna see your pride  
Back in pain- freedom is not free  
Back in pain- you're gonna win this fight  
Back in pain- freedom is not free, yeah  
Oh yeah, you can't do it on your own  
I tell ya nothing, nothing new  
You gotta see yourself as what you are  
Blinded by light and lost- lost in the dark  
Back in pain- I wanna see your pride  
Back in pain- freedom is not free  
Back in pain- you're gonna win this fight  
Back in pain- freedom is not free, yeah  
Back in pain- I wanna see your pride  
Back in pain
