

U.D.O., Back In Pain

Back In Pain

Fight for the right thing

Fight for yourself-no one should run your life

Believe in you- it's just the best to do

Before you're giving up

Stay put and give yourself a chance to grow

Get tough and rough- defend yourself on time

Get coming back for more

You gotta push it through

You're gonna make the truth come true

Back in pain- freedom is not free

Back in pain- freedom is not free

You see yourself so busy

Doing things people always telling you to do

No matter what- always on your own

Fight just for the right thing

Go all the way and never ever change it

Get coming back for more

You gotta push it through

You're gonna make the truth come true

Back in pain- I wanna see your pride

Back in pain- freedom is not free

Back in pain- you're gonna win this fight

Back in pain- freedom is not free, yeah

Oh yeah, you can't do it on your own

I tell ya nothing, nothing new

You gotta see yourself as what you are

Blinded by light and lost- lost in the dark

Back in pain- I wanna see your pride

Back in pain- freedom is not free

Back in pain- you're gonna win this fight

Back in pain- freedom is not free, yeah

Back in pain- I wanna see your pride

Back in pain
