

U2, Another Day

Wake up
The dawn of another dull day
Take up
Your dreams and on your way
Oh oh ooh

Daylight
Mother stands in the hall
Last night
Head against the wall
Oh oh ooh

When night turns to day
And the children come out to play
Another day

Stop, shake out
They came my way
Oh oh ooh...

Boy, salute in a street uniform
Toy, soldier ripped and torn
Oh oh ooh

When night turns to day
And the children come out to play
Another day

Stop, shout
They came my way
Oh oh ooh
