U2, Elevation

High, higher than the sun You shoot me from a gun I need you to elevate me here

A corner of your lips Is the orbit of your hips Eclipse You elevate my soul

I've got no self control
Been living like a mole now
Going down, excavation
Higher now, in the sky
You make me feel like I can fly
So high
Elevation

A star Lit up like a cigar Strung out like a guitar Maybe you can educate my mind

Explain all these controls Can't sing but I've got soul The goal is elevation

A mole Digging in a hole Digging up my soul now Going down, excavation

Higher now In the sky You make me feel like I can fly So high Elevation

Love Lift me out of these blues Won't you tell me something true I believe in you

A mole Digging in a hole Digging up my soul now Going down, excavation

Higher now In the sky You make me feel like I can fly So high Elevation
