## U2, Grace

Grace
She takes the blame
She covers the shame
Removes the stain
It could be her name

Grace It's a name for a girl It's also a thought that

Changed the world

And when she walks on the

And when she walks on the street You can hear the strings Grace finds goodness In everything

Grace
She's got the walk
Not on a wrapper on chalk
She's got the time to talk

She travels outside Of karma, karma She travels outside Of karma

When she goes to work You can hear the strings Grace finds beauty In everything

Grace
She carries a world on her hips
No champagne flute for her lips
No twirls or skips
Between her fingertips

She carries a pearl In perfect condition What once was hers What once was friction What left a mark No longer stains

Because grace makes beauty Out of ugly things

Grace finds beauty In everything

Grace finds goodness In everything
