

# U2, Love Is Bigger Than Anything In Its Way

The door is open to go through  
if I could I would come, too  
but the path is made by you  
as you're walking start singing and stop talking

oh. if could hear myself when I say  
love is bigger than anything in its way

so young to be the words of your own song  
I know the rage in you is strong  
write a world where we can belong  
to each other and sing it like no other

oh. if could hear myself when I say  
love is bigger than anything in its way

is the moonlight caught you crying on Killney Bay  
Oh, sing your song  
let your song be sung  
if you listen you can hear the silence say  
"when you think you're done, you've just begun!"

love is bigger than anything in its way  
love is bigger than anything in its way  
love is bigger than anything in its way  
love is bigger than anything in its way
