

U2, Satellite Of Love

Satellite's gone
Up to the sky
Things like that drive me
Out of my mind
I watched it for a little while
I love to watch things on TV

Oh...satellite of love
Ah...satellite of love
Oo...satellite of love
Satellite

Satellite's gone
Way up to Mars
Soon it will be filled
With parking cars
I watched it for a little while
I love to watch things on TV

Ooo...ahh...satellite of love
Ha...satellite of love
Satellite of love
Satellite

I've been told that you've been bold
With Harry, Mark, and John
Monday, Tuesday, Wednesday, Friday
Harry, Mark, and John

Satellite's gone
Up to the sky
Things like that drive me
Out of my mind
I watched it for a little while
I love to watch things on TV

Hoo...satellite of love
Haa...satellite of love
Hoo...satellite of love
Satellite of...

Satellite...satellite...
[Repeat until end]
