

U2, Sometimes You Can't Make It On Your Own

Tough, you think you've got the stuff
You're telling me and anyone
You're hard enough
You don't have to put up a fight
You don't have to always be right
Let me take some of the punches
For you tonight
Listen to me now
I need to let you know

You don't have to go it alone
And it's you when I look in the mirror
And it's you when I don't pick up the phone
Sometimes you can't make it on your own
We fight all the time
You and I... that's alright
We're the same soul
I don't need...
I don't need to hear you say
That if we weren't so alike

You'd like me a whole lot more
Listen to me now
I need to let you know
You don't have to go it alone
And it's you when I look in the mirror
And it's you when I don't pick up the phone
Sometimes you can't make it on your own
(Just say his name)
I know that we don't talk

I'm sick of it all
Can, you, hear, me, when, I, sing
You're the reason I sing
You're the reason why the opera is in me
Well hey now, still gotta let ya know
A house doesn't make a home
Don't leave me here alone
And it's you when I look in the mirror
And it's you that makes it hard to let go

Sometimes you can't make it on your own
Sometimes you can't make it
Best you can do is to fake it
Sometimes you can't make it on your own
