

# U2, Three Sunrises

Spirit of the rising sun lift me up  
Hold me there and never let me fall  
Love me 'til I die, my heart won't wait  
Soon I will be loved...

In this love song, love  
Love song, love song

Hey, hey, love won't find  
Find its own way home

In this love song, love  
Love, love song

Sun shine, sun shine on me  
Sun shine, sun shine on me

In this love song, love  
Love song, love song

Hey, hey, love won't find  
Find its own way home

In this love song, love song  
Love song, love song  
Sun shine on me  
Bring it through to my heart  
I would give you everything  
I will give you my desire

Sun shine, sunshine on me  
Sun shine, sunshine on me
