

# U2, Touch

Thank you  
Don't mention it  
I'm pleased to meet you  
Don't think I'm very good at this  
Let me show

I don't wanna know  
I just wanna go (down)

F-f-falling...the world is by your side  
Falling...did you find a place to hide

I just wanna know  
I just wanna go

T-t-touching you  
T-t-touching you  
T-t-touching you

She said, the twenty second floor  
But I said, I can't think what it's for

I just wanna know  
I don't wanna go

T-t-touching you  
T-t-touching you  
T-t-touching you

I'm t-t-touching you  
T-t-touching you  
T-t-touching you

T-t-touching you
