

# UB40, Good Situation

That girl I'm gonna make her mine  
If it takes all night  
That girl I'm gonna make her mine  
If it takes all night

Good evening sweet darling  
May I ask your name  
You seem to be lonely  
Well don't worry I'm feeling the same

Oh it's a good situation  
A splendid combination  
That we should meet  
At a time like this  
Oh it's a good situation  
A splendid combination  
Your something that  
I just can't miss

That girl I'm gonna make her mine  
If it takes all night  
That girl I'm gonna make her mine  
If it takes all night

It's been a long time sweet darling  
Since love has come my way  
But I'm trying so hard  
To find the right words to say

Oh it's a good situation  
A splendid combination  
That we should meet  
At a time like this  
Oh it's a good situation  
A splendid combination  
Your something that  
I just can't miss
