

# Uffie, Hen Fap (It's Something That I Need To Have)

I had visions, I was in them  
I was looking into the hen fap  
It's something that I need to have  
Like the rottenness and evil in me

Fingertips have memories  
Mine can't forget the curves of your body  
And when I feel a bit naughty  
It's Uffie time  
Uf-uf-uf-uf-uffie time

I'm not sick but I'm not well  
And I'm so hot cause I'm in hell

Been around the world and found  
That hen fap is something that I need to have  
The cretins cloning and feeding  
And I don't even own a tv

Put me in the hospital for nerves  
Like a hen fapped without any curves  
You told them all I was crazy  
They cut off my legs now I'm an amputee, god damn you

They cut off my legs now I'm an amputee, god damn you  
They cut off my legs now I'm an amputee, god damn you  
They cut off my legs now I'm an amputee, god damn you  
They cut off my legs now I'm an amputee, god damn you

I wanna publish zines  
And rage against machines  
I wanna pierce my tongue  
It doesn't hurt, it feels fine  
The trivial sublime  
I'd like to turn off time  
And kill my mind  
Brrrrrrrap

Paranoia paranoia  
Everybody's coming to get me  
Just say you never met me  
I'm runnin' underground with the moles  
Digging holes

Hear the voices in my head  
I swear to god it sounds like they're snoring  
But if you're bored then you're boring  
The agony and the irony, they're killing me, oh

I'm not sick but I'm not well  
And I'm so hot cause I'm in hell  
I'm not sick but I'm not well  
And it's a sin to live this well  
Shout out to Matthew Fluxington Perpetua and all that blog house crew
