

Uffie, Ready To Uff

Me and Feadz on a mission
And we're starvin to fly
It's little Uffie of course
About to get buck wild

On this beat that you hear
It's a girl that you fear
And if you don't enjoy this shit,
You can get outta here

But yo one day you will see me
Beaking out in Miami
Doing X-rated shows
From Houston to St.Louis

Yo I'm a damn crazy brat
And i don't give a fuck
I got my man,my sound, my glass
And I'm ready to fuck

liii iiiii i i i I'm ready to fuck,I'm ready
ready I'm ready to Fuck fuck fuck fuck,
Im ready ready I'm ready to fuck fuck fuck Fuck,
Uffie Uffie Uffie Uffie Uffie
Of course, iiiiiiiiim uffie of course,
I'm uffie of course

No I don't belong here
And I'm free as a cop
Cause my parents ain't near
I'm unable to stop

Yo not owned by one nation
I'm the child of the world
See I got frustrations,
They about to be heard

See a trick that looks shiny
And all the guys getting horny
But this shit is so corney
Bitch ain't got nothing on me

Yea I used to be like that
But I upgraded my scale
All these girls are so whack,
Now its first class I hail

First class first class first class I hail, miami I
hail I hail I Hail miamil i i i i i i hail first
class I hail

The people are looking
And the heads are turning
But what you see in the morning
Is that your coochie is burning

Yea you a pathetic whore,
Who always wanted more
But when he walks through the door,
Your knees drop to the floor

Now hoes got dreams aswell,
Tryin to make a pimp proud
It's a fantasy to sell

When your heads with the clouds

These ladies are pro actors
Got men thinking they above
But inside adding up factors
Thats why they get no love.

Tryin tryin tryin tryin to make a pimp proud,
Now hoes got
Dreams as well
trying to make a pimp proud,
Trying tryin tryin tryin
Tryin to make a pimp proud,
Hoes make a pimp make a pimp hoes
Make a pimp proud
