

# UFO, Too hot to handle

Caught in the crossfire, a warnin' fight Legends make or breakin' Swept off by the roarin' waves of f

Yeah, I was too, too hot (Too hot to handle)

Wink of an eye, feelin' so high

A real rock & roll mess And I ain't no romance, and I ain't no slow chance Won't get no quick c

Yeah, I'm too, too hot, baby (Too hot to handle)

Sha la la la, roll you over Turn you 'round and do it again Sha la la la, keep on comin' Do it once, b

Sha la la la, roll you over Turn you 'round and do it again Sha la la la, keep on comin' Do it once, b
