

# Ugly Kid Joe, 12 Cents

Watching, waiting  
You know it shouldn't take this long  
Leaning, forward  
I know it couldn't possibly take much longer  
I know the pain moves on  
And I feel the same for the wrong  
Angels, walking, floating on and on

Breathing, eloquent  
I know it couldn't possibly wait much longer  
Searching, so long  
I know we'll find a way  
Reaching all alone  
I know they couldn't possibly hate much longer
