

Ugly Kid Joe, Like To Be There

somehwere the evening sun,
is falling down, the day is done
How i'd like to be there,
how i'd like to share
Somehwere the darkness frows,
that hides beyond the ones in doubt,
would you like to be threere,
would you like share
with me
'cause my arms are stretched
a mile wide
yeah

Somewhere the ocean floor,
is slowly flowing up the shore,
how i'd like to be there
how i'd like to share
Somewhere the western sky,
the days are slowly passing by,
would you like to be there,
would you like to share,
with me
'cause my arms are stretched
a mile wide
yeah

the more you see
the more you know x2
