

Ugress, Blue Magnetic Monkey

Tip toe tangle I intend to break loose
To stretch right out and have my groovy moves
I'm gonna crack up a spell and be transparent for a while
My blue magnetic monkey's my divine child

Spiraling sensations
Shimmering burstings of light
Infinity without or within me
Vibrational butterfly high

Tip toe tangle I intend to break loose
To stretch right out and have my fuels juiced
I'm gonna crack up a spell and be a fairy for a while
My blue magnetic monkey's my divine child

Sparkling vibrations
Glimmering circles in sight
What lives in me
Is bursting out from me
Salvational sensational bright

Tip toe tangle I intend to break loose
To stretch right out and have my groovy moves
I'm gonna crack up a spell and be transparent for a while
My blue magnetic monkey's my divine child
