

# Ugress, Queen Of Darkness

Choir

I walk like a deadly threat  
That has come to change your style  
I can feel the taste of candy red  
Behind a perfect shallow smile

Now what can you offer me  
I don't know and I can pay  
But if I give you this ticket for free  
Can you guarantee me no betrayal

Choir

I'm in this strange old circus  
When will I ever learn  
Its not a place to focus  
On that final, last u-turn

So be my blind and crippled guide  
And show me how to live  
In this game i know called seek and hide  
where i'd rather take than give

Choir

I'm an angel  
I kill first borns while their mothers watch  
I turn cities into salt  
I even  
When I feel like it  
Rip the souls from little girls  
And from now untill kingdom come  
The only thing you can count on  
Is never understanding why
