

Ugress, Redrum

Someone please explain
Why is my bedrom
Such a bloody mess

My hand shiver
My mind is dead
A glimpse of silver
Then red

Someone screaming
I think it's me
Why
Has slipped my memory

Someone please explain
Why is my bedrom
Such a bloody mess

My hand shiver
My mind is dead
A glimpse of silver
Then all I see is red

Someone screaming
and I think it's me
Why
Has slipped my memory
