

# Ula Kozielska, Lose Control | Bitwy | The Voice of Poland

Something's got a hold of me lately  
No, I don't know myself anymore  
Feels like the walls are all closing in  
And the devil's knocking at my door, whoa

Outta my mind, how many times  
Did I tell you I'm no good at being alone?  
Yeah it's taking a toll on me, trying my best to keep  
From tearing the skin off my bones, don't you know

I lose control  
When you're not next to me  
I'm falling apart right in front of you  
Can't you see?  
I lose control  
When you're not next to me  
Yeah, you're breaking my heart, baby  
You make a mess of me

Problematic, problem is  
I want your body like a fiend, like a bad habit  
Bad habit's hard to break when I'm with you  
Yeah I know, I could do it on my own, but I want  
That real full moon black magic and it takes two  
Problematic, problem is  
When I'm with you I'm an addict  
And I need some release, my skin in your teeth  
Can't see the forest through the trees  
Got me down on my knees, darling please, oh

I lose control  
When you're not next to me  
I'm falling apart right in front of you  
Can't you see?  
I lose control  
When you're not next to me  
Yeah, you're breaking my heart, baby  
You make a mess of me, yeah

I lose control  
When you're not here with me  
I'm falling apart right in front of you  
Can't you see?  
I lose control  
When you're not here with me  
Yeah, you're breaking my heart, baby  
You make a mess of me
