

Uli Jon Roth, Tanz In Die D

Morgenrot - wo sind diesterne der Hoffnung?
Morgentau - kannst Du mir sagen, wo wir hingehn'?
Die Sonne versinkt - Dein Leben verrinnt...

Pain - real pain! weltenschmerz...
Cain - thine brother hast slain,
Getroffen ihn mitten ins Herz!
Seelenschmerz...

Searchlights from Hell - brother who fell
Wandering into the nightmare...
Trapped in his cell - leaden shell
What kind of armour does your knight bear?
Disintegrate into the nightmare?

Tanz in die Dämmerung - cry till you die
Face your trial!
Sons of Decameron - dancing their lives away
Drunk denial!

Sag' mir warum sind wir Menschen?
Sag' mir warum sind wir Menschen dumm?
Save our souls! We've gotta know:
Worship of hell is Satanic
Gate's almost closed! We've gotta go:
We're living inside the Titanic
Creating a man-made pandemic

Sons of Decameron - dancing their lives away
Drunk denial!
Sag' mir warum sind wir Menschen?
Sag' mir warum sind wir Menschen dumm?

Mortuiri te salutant! | Sacrifice! Crucify!
How can you deny Zebaoth?
Nephilim! Arch villian! (Shoot! Kill him!)
Angst, Wahnsinn sind sein Reich...
Panem et circensis... | Deus, salva nos, salva nos!
Why oh why?

To die when the morning falls
Die when your name is called
Die when the second tower falls
But where are we tonight?

Die when the morning cries
Death has prepared our lullabies
Cry for your life - one last good-bye
Prepare your selves to die...

REX TREMENDAE

Confutatis maledictis flammis acribus addictis
Pain! - Confutatis - Real pain! Maledictis

Do you know my name? Rex tremendae!
Do you know my name? Rex tremendae!
No one knows my name... Majestatis | I Am that I Am!

Stop Dying! | Up! Wake up! | Hallowed be thy name!
Stop Dying! | Must be born again...
Death is not in vain... | Life you shall regain...
We're the children... | Death is not in vain...
Life you shall regain... | We're the children... | Hallowed be thy name!
