

Ultima Thule, Be My Baby

The night we met I knew I needed you so
And if I had the chance I'd never let you go
So want you say you love me
I'll make you so proud of me
We'll make them turn their heads
every place we go
So won't you please

Be my, be my baby, be my little baby
My one and only baby - Save me my darling
Be my, be my baby, be my baby NOW!
