

Ultima Thule, Runaway

As I walk alone, I wonder
what went wrong without our love,
our love that was so strong
And as I still walk on I think of
the things we've done together,
while our hearts were young

I'm walking in the rain
tears are falling and I feel a pain
wishing you where here by me
To end this misery

And I wonder
I wo-wo-wo-wo wonder
Why?
Why-why-why-why,
she run away
And I wonder
where she will stay
My little runaway
My run-run-run-run runaway, Yeah!

As I walk alone, I wonder
what went wrong without our love,
our love that was so strong
And as I still walk on I think of
the things we've done together,
while our hearts were young

I'm walking in the rain
tears are falling and I feel a pain
wishing you where here by me
To end this misery

And I wonder
I wo-wo-wo-wo wonder
Why?
Why-why-why-why,
she run away
And I wonder
where she will stay
My little runaway
My run-run-run-run runaway
run-run-run-run runaway.
