

# Ultimate Fakebook, A Million Hearts

It's insane - don't know why I came  
Guess just to see you here  
But from far away,  
all I see is him and I just move on  
this is crazy...  
"No date for the prom?" you say  
as we both finally meet  
Then your smile fades,  
and I see in your eyes that it's all no fun  
Then you turn back to him  
as the prom theme song comes on...

## CHORUS

I'm still in love, but I'm one of a million hearts  
you'll someday break

Close my eyes, but still I won't give up,  
still I won't give up...no way

I'll wait, in this dancefloor haze  
and suffer this silly suit just for one more gaze  
And I'm sneakin' around like a fool - so dumb  
On a Saturday night, man, is this what I've become?

## CHORUS

And I know that I still don't believe it's true  
But I can't let you go and I don't know what to do

## CHORUS
