

# Ultimate Fakebook, Brokyn Needle

Me and Mot were rockin' out back in his bedroom  
Underneath a tapestry of a Motley Crue back in their youth  
No time to just wake up from dreamin'!

Brokyn Needle doesn't need no cigarettes cause we're that cool  
Basement majesties and desperate hearts,  
Yeah, but it's okay jammin' after school  
cause I'm gonna be a star!

I got a muscle shirt and Mot has got some black boots  
Pink bandanna, glitter jeans and a fake tattoo and you're set, dude  
No time to just wake up from dreamin'!

Brokyn Needle doesn't need no cigarettes cause we're that cool  
Basement majesties and desperate hearts,  
Yeah, but it's okay jammin' after school  
cause I'm gonna be a star!

singin'....  
"Are You Ready To Rock?"  
It's not a question, baby!  
"Are You Ready To Rock?"  
It's not a question, baby!  
Cause I'm just filled with somethin'  
It's all I got

Brokyn Needle doesn't need no cigarettes cause we're that cool  
Basement majesties and desperate hearts,  
Yeah, but it's okay jammin' after school  
cause I'm gonna be a star!
