

# Ultimate Fakebook, Diamond Ring

Diamond ring, I wonder what you bring  
Cause it feels like it is a lot to this hand, if I don't see  
How every time I'm seeing clearly the sky fills up with clouds  
But I'm sure I'm just afraid of leaving a world without...

Surrender  
Will you marry me?  
Ever after  
What does it mean?

I don't feel like being alone, but I still don't know  
But I'm just asking myself,  
cause how's a diamond ring supposed to know

Don't insist it's all an awful bliss  
You can't pretend like it isn't all that bad  
Or did you miss...  
how every time I get to see her she's just about to leave  
and it looks like Halloween is still here on Christmas Eve

Surrender  
Will you marry me?  
Ever after  
What does it mean?

I don't feel like being alone  
But I still don't know  
Is a diamond ring just a shiny stone?  
And I've felt like this for a long time  
And I know it shows  
But I'm just asking myself,  
cause how's a diamond ring supposed to know

And by the time I figure it out  
I'll probably be about the age of fifty-three  
So now you've noticed how tight to my youth I cling,  
Yeah, well no one said we have to let go easily
