

Ultimate Fakebook, Wrestling Leap Year

Take what you wanna take,
Don't leave me here wrestling leap year,
Sever your fear of the one,
One and only love,
Make what you wanna make,
sell your slaves who still don't serve the one and only love.

Say you wanna wear this guilty crown,
Dress it up controlled heat,
Sickening your one and only love,
Taste what you wanna taste,
Don't waste me
I'm your one and only love.
