

# Ultimate Kaos, My Lover

Thinking 'bout no other  
Ooh oh ooh oh  
My lover

Can't you see you are the one  
I'm thinking of  
Let me be the one  
To do it all to you

If you believe in me and what I do  
And all I can give  
Thinking of no other but you  
You are my lover  
I want to be together with you  
You are my lover

I can give you all  
And freak you up and down  
If you touch my part  
You'll hear a nasty sound

If you believe in me and what I do  
And all that I can give  
Thinking 'bout no other but you  
You are my lover (ooh)  
I want to be together with you

You are my lover (you are my lover)  
Thinking 'bout no other (ooh oh ooh oh)  
You are my lover (you are my lover)  
I wanna be together (ooh oh ooh oh)  
You are my lover (you are my lover)

If you belong to me  
Then you should see  
You are all I'm thinking of  
Ooh all I want to be is together  
Hoping that our love lasts forever  
It's crazy but it's true  
You are my lover (yeah yeah)

Thinking 'bout no other (to be together)  
You are my lover (hoping that our  
love lasts forever)  
I want to be together (it's crazy  
but it's true)  
You are my lover (ooh it's alive)  
I'm thinking 'bout no other (ooh)  
But you (ooh oh ooh oh)  
You are my lover (ooh oh ooh oh)  
I wanna be together with yoy  
(ooh oh ooh oh)  
You are my lover (you are my lover)
