

# Ultimate Sacrifice, I Am Loved

Sitting here on center stage  
Looking all around  
Oh Lord, just you and me  
There's no one for a crowd  
I wonder why I'm sitting here  
Is it for me or you  
God I pray that you will be  
In everything I do  
I am loved by the Lord of love  
His mercy falls down from Heaven above  
His peace soars through me like a dove  
I am loved.  
I take my place on the stage  
Looking for what's ahead  
Thank you for the chance you've given me  
There's nothing more to be said  
Things are falling into place  
I keep my eyes on you  
Some here who've strayed from the path  
Oh, I don't know who  
Singing for your people tonight  
How can I tell them all  
I know what it's like to be on the edge  
Don't stop, stray or fall  
Their walk needs to be strengthened, God  
Keep their eyes on the road  
Then friends will see their lives  
And lead them to you, Lord.  
Sitting here on center stage  
Looking all around  
Oh Lord, just you and me  
There's no one for a crowd  
I know why I'm sitting here  
It's not for me but you  
God I thank you for being there  
In everything I do
