

Ultimatum, Warlord's Sword

Sacred steel, the blazing sword, the swift two edged blade.
At the hands of the LORD, will pierce the caverns of your soul.
Bring's conviction, bleeds the sin, cuts you to the core.
Reveals the darkness of your heart, and points you to the LORD.

Warlords Sword/The Word of Truth,
Wars against the flesh.
Warlords Sword/The Spirit's Call,
Put's you to the very test

Crafted perfect in every way, no flaw is found within.
Tested in the fires of time, the opposition cannot win.
Stronger than steel and forged by God, for the battles we must fight.
Waging war upon the flesh, His ways are always right.

Declaring war on His Word, with truth they have their fight.
Wisdom calls but can they hear?
Who can battle with His might?
For by the Word we shall live or by it we shall die.
Will you join the Warlord's side, or will it you despise.
