

# Ultramagnetic MC's, Introduction To The Funk

INTRODUCING MC WASTEMAN OR CALL ME DEVIL

am not a good mc, but am good at rhyming  
every word has a special timing  
put notes down and the underlining  
bare gunshots i started firing  
at ur mum ,she started crying  
u cant mc so stop trying

look at all dem scars on ur skin  
u dont wanna get dashed in the bin  
get left with a bruised up chin  
if u clash me i will win

i can put a guarantee  
that if u beef me  
it'll be world war 3  
i got a whole army  
waitin by the tree  
they got ur house key  
they got it for free  
cause am truly  
the only  
O.G.

dont say no threats  
i'll make u clean creps  
on ur own doorsteps  
am talkin to the skets  
with no big decks  
making bare fake cheques  
making bare fake bets  
in ma casino  
i wear machino  
at ur party  
i wear versachy

i had plastic surgery  
i looked like mercury  
covered ma face with burbery  
started working at siansbury

listen to this song  
am skinny but strong  
dont get me wrong  
beef will be long  
how about we clashed  
ur girl got lashed  
ur face got smashed  
ur house got trashed  
ur mum got dashed  
ur money got stashed  
and ur car got mashed

ur mum is a cow  
she was like pow  
shes getting lashed now  
i dont know how  
am like wow

dont bring ur crew for a war  
they'll end up all getting bor  
i can bet u a shiny score  
lets beef at da one pound store

fuk the beef les go hardcore  
i'll draw for da bedroom door  
or draw for the ugly claw  
for sure
