

Ultramagnetic Mcs, Ultra Reunion

[Kool Keith]

Example one - master magical magician
hold position, enter the club with competition
The Great Bartholomew, my spirit follow you
Hand back the track, smellin smoke off the vinyl wax
My approach is silent, quiet like a roach
My solo voodoo is here, Zapp with kazoo
What can you do when the funk comes behind your crew
Like Greyskull, Skeletor the bus is on tour
Kool Keith with Indian Chief Sahara
Holdin the flashlight, shavin cream in the mirror
Like Yogi Berra, big Yank count bank
Movin work out the country, you think I'm Big Hank
Forty-eight waist with bass, all in your face
I be there, in the atmosphere, super underwear
My cape aluminum, light up crews when I'm booin em
Feedback, mistaken, like Crazy Legs
I be breakin, rap on my back, you caught the steam
While you smoke crack, that song word P
Chorus: repeat 4X
