

# Ultraspank, Fired

Feel the waking up  
Feel the breaking loose  
Start the engine turning  
Feel the inside burning  
Fired  
Push it to the red line  
Push it to the edge and it starts to unwind  
Latched on sucker  
Holds you steady as it starts to shudder  
Tell me when it f\*\*king hurts  
Crash it through the base line  
Leave it in the dust as you begin the climb  
All out crusher  
Shedding the skin as it fuels the within  
Tell me when it f\*\*king hurts  
Hurts  
It f\*\*king hurts  
Half feeling alive  
Half feeling alone  
Half feeling the pressure  
Half feeling the anger  
Fired  
Pushed it to the red line  
Pushed it to the edge to begin the unwind  
Saw toothed sucker  
Ripped the within so the out could begin  
Told you it would f\*\*king hurt  
Reach back
